WA STAGE SCHOOL

3rd September

ANNIE MEDLEY

Hi All SMT Popstars / Combo Classes

As your child is performing in the above item the costume will need to be home made by your child. We would like them to use their imagine and create and Orphan Character Look other than just placing rag clothes on them. A lot of this can be done by spending a great couple of hours with your child at SALVO's / GOOD SAMMY stores. Or you may even have an old outfit in the wardrobe that may just need a cardigan an apron or old gloves, a hat or coat to complete your look.

All costumes will need to be brought into class by end of 1st week for Term 4 which is 14/10/17 for Shyenne's approval and then taken home for safe keeping for the concert. Refer to the reverse of this letter of some costume ideas to help you along.

Many thanks for your assistance in creating a great ORPHAN look for your child.

Kind Regards

Renae O'NEILL
Principal
